

Civil & Site Work

Site work · Drainage · Fencing · Municipal sewer root control

OVERVIEW

Ives Contracting provides civil construction, site work and maintenance for government, utilities and prime contractors across Virginia and northeastern North Carolina, with our own crews, trucks and heavy equipment.

CORE COMPETENCIES

Site preparation

Clearing, excavation, grading and site prep for public and utility projects.

Drainage & stormwater

Roadway drainage, pond and basin excavation, sediment removal and outfall repair.

Fencing

Chain-link and security fencing, barbed-wire outriggers, and vehicle and pedestrian gates.

Municipal & utility services

Foam root control for sanitary sewer collection systems.

Maintenance

Ongoing site and facility maintenance with 24/7 availability.
